1995 Annual Index

AUTHOR INDEX

Abrams, Michael
The Management of Delirium Tremens in Acute Alcoholism, September, p69
Allen, Robert E.
Dx-Ray (Clip & File), October, p107
Andrews, William C.
Continuous Combined Estrogen/Progestin Hormone Replacement Therapy, November Suppl
Atabek, Umur
Implementing a Smoking Cessation Program for Your Patients, November, p75
Ayachi, Salah
Chronic Obstructive Pulmonary Disease: Improving the Outcome (Recertification), November, p39
Individual Rights and Public Health (Forum), November, p59
Preventing Cardiovascular Disease Complications With Aspirin, June, p47
Bailey, Stephen J.
Dx-Ray (Clip & File), November, p115
Beck, Lisa H.
A Woman With Drug-Resistant Tuberculosis (Case Study), June, p59
Begick, Vaughn
An Era of Change: Professional and Individual Responsibilities (PA Forum), April, p63
Blessing, J. Dennis
Chronic Obstructive Pulmonary Disease: Improving the Outcome (Recertification), November, p39
Individual Rights and Public Health (Forum), November, p59
Preventing Cardiovascular Disease Complications With Aspirin, June, p47
Boatwright, John
Infectious Endocarditis (Recertification), April, p27
Bothun, JoAnn
The Preplacement Examination, June, p79
Boyer, Wayne B.
CardioQuandary (Clip & File), November, p111
Brasseur, James
Provider-Assisted Suicide: A Survey of PA Attitudes (Special Report), June, p73
Busse, Heidi
Lisfranc Injury, September, p54
Canales, Robert
Preventing Cardiovascular Disease Complications With Aspirin, June, p47
Catalina, Thomas S.
Decompression Illnesses of Recreational Scuba Divers, July, p47
Chabon, Stephen J.
An Era of Change: Professional and Individual Responsibilities (PA Forum), April, p63
Chabon, Suzanne L.
Infertility: A Focused Evaluation, October, p71
Coggin, William
Neuroleptic Malignant Syndrome, October, p82
Colson, Colleen
The Pathogenesis of Sepsis (Recertification), August, p27
Crum, Ralph
The Pathogenesis of Sepsis (Recertification), August, p27
Dalton, Leslie
Resisting Rape: Risks and Effectiveness (Health Issues), November, p104
Danielsen, Randy D.
Resisting Rape: Risks and Effectiveness (Health Issues), November, p104
Davidson, James A.
The Best and the Brightest? (Guest Editorial), August, p9
Dicker, Marc T.
Increasing PAs' Awareness and Understanding of Self-Help Groups: An Educational Model (Special Report), August, p66
Drucker, Harriet A.
Basic Wound Care, May, p51
Edelman, Susan M.
Total Hip Arthroplasty: A Success Story, February, p44
Estrin, Marc
Destructive Confidentiality (Guest Editorial), November, p13
Finnance, Norman
A Female Bone Marrow Recipient With Abdominal Pain (Case Study), May, p106
Fitzpatrick, Kevin T.
An Era of Change: Professional and Individual Responsibilities (PA Forum), April, p63

Franck, Patrick
Dermadilemma (Clip & File), December, p83
Garnsey, Linell G.
Exercise-Induced Coronary Vasospasm, May, p71
Garritty, Karla
A Review of Pneumonia in Infants and Young Children (Recertification), March Suppl, p16
Garry, Linda Lala
Implementing a Smoking Cessation Program for Your Patients, November, p75
Goldfarb, Alvin F.
Adolescents and STDs: Counseling Young Patients on Hepatitis B Prevention, March, p66
Grayce-Barnes, Kathryn B.
Nutrition, Immunity, and HIV Disease, August, p57
Greenberg, Michael David
Emergency Vascular Access: The Use of Intraosseous Infusion, February, p59
Griffith, Ceabert J.
Chlamydial Infections: Minimizing Sequelae Through Preventive Strategies (Recertification), May, p27
Hypertension: Evaluation and Management (Recertification), September, p25
Irritable Bowel Syndrome: Pathophysiology, Diagnosis and Management (Recertification), March Suppl, p53
Gualdoni, Steven M.
The War on Cancer: Can PAs Offer Something Different? (PA Forum), January, p59
Guidera, Kay S.
Dermadilemma (Clip & File), August, p75
Hansen, Christine
Colorectal Cancer: A Preventable Disease (Recertification), January, p15
Harbert, Kenneth R.
An Era of Change: Professional and Individual Responsibilities (PA Forum), April, p63
Hart, Laura
Infectious Endocarditis (Recertification), April, p27
Hayden, Radford J.
Dx-Ray (Clip & File), May, p113
Provider-Assisted Suicide: A Survey of PA Attitudes (Special Report), June, p73
Harbert, Ken
In Memoriam (Guest Editorial), July, p11
Herman, Lawrence
Cocaine Body Packer Syndrome, August, p47
Dx-Ray (Clip & File), July, p85
Dx-Ray (Clip & File), September, p85
Dx-Ray (Clip & File), December, p90
Hule, Gordon
Assessment of Ankle Sprains in Athletes (Recertification), October, p23
Graft Harvest and Preparation for Endoscopic Anterior Cruciate Ligament Reconstruction, August, p81
Initial Assessment of Knee Trauma: Meniscal Injuries, January, p43
Huntington, Charles G.
Individual Rights and Public Health (Forum), November, p59
Medicare Reform—Politics as Usual (Editorial), November, p10
Rough Sailing Ahead (Editorial), May, p11
Jennings, Patricia R.
A 40-Year-Old Woman With Dysfunctional Uterine Bleeding (Case Study), April, p77
Jones, A. Alexander M.
Dx-Ray (Clip & File), October, p107
Jones, J. Michael
Headache: Benign or Catastrophic? (Recertification), June, p25
Jordan, Robin Hall
Intensive Insulin Therapy in Diabetes (Recertification), March Suppl, p40
Keel, Thomas A.
Hand Injuries From Fist Fights, July, p73
Kelley, Kevin
The Patient Self-Determination Act: A Matter of Life and Death, March, p49
Kircher, John R.
Provider-Assisted Suicide: A Survey of PA Attitudes (Special Report), June, p73
Kloft, Tony
Neuroleptic Malignant Syndrome, October, p82
Korn, Kenneth
Suntan and Ultraviolet Light Exposure-Related Issues, May, p80
Krakow, Morton G.
CardioQuandary (Clip & File), April, p81
Larosa, John C.
Women and Cardiovascular Disease: Focus on Lipids, February Suppl, p22
Ledford, Janice K.
Evaluating Painless Distant Visual Acuity Loss in the Adult, April, p41
Legato, Marianne J.
Health Care in the United States: The New Focus on Women, February Suppl, p33
Leiner, Steven
Here's How I Do It: Educating Patients About Their Positive PPDs (Clip & File), June, p87
Herpes in Adults: Caring for Patients With Simplex and Zoster (Recertification), March Suppl, p27
Sore Throats: Burning Issues (Recertification), March, p19
Lorell, Beverly H.
Women and Cardiovascular Disease: Focus on the Heart, February Suppl, p17
Marion, Gail S.
An Era of Change: Professional and Individual Responsibilities (PA Forum), April, p63
The War on Cancer: Can PAs Offer Something Different? (PA Forum), January, p59
Matron, Karen A.
A 79-Year-Old Man With Dyspnea and Fatigue (Case Study), July, p69
Mays, Mary
Here's How I Do It: Educating Patients About Their Positive PPDs (Clip & File), June, p87
McCann Peter D.
Graft Harvest and Preparation for Endoscopic Anterior Cruciate Ligament Reconstruction, August, p81

McDonald, George B.
A Female Bone Marrow Recipient With Abdominal Pain (Case Study), May, p106
Meissen, Gregory J.
Increasing PAs' Awareness and Understanding of Self-Help Groups: An Educational Model (Special Report), August, p66
Miller, Sarah Kelly
The Preplacement Examination, June, p79
Miller, William
Some Implications of Managed Care for Physician Assistants, February, p63
Neef, Jeffrey A.
Dermadilemma (Clip & File), February, p75
Dermadilemma (Clip & File), May, p111
Dermadilemma (Clip & File), July, p83
Dermadilemma (Clip & File), October, p105
Notelovitz, Morris
Women and Osteoporosis: Role of Estrogen Replacement Therapy, February Suppl, p10
O'Connell, Claire Babcock
Residential Low-Frequency Electromagnetic Fields and Childhood Cancer (Health Issues), October, p90
Olney, Marilynn
The Preplacement Examination, June, p79
Orford, Robert R.
The Preplacement Examination, June, p79
Parham, Bill
The Management of Delirium Tremens in Acute Alcoholism, September, p69
Peterson, Michelle
Chronic Obstructive Pulmonary Disease: Improving the Outcome (Recertification), November, p39
Pollard, Cathy
A 48-Year-Old Woman With Right-Sided Pleuritic Chest Pain (Case Study), May, p95
Dx-Ray (Clip & File), February, p77
The Emerging Infectious Diseases (Health Issues), December, p73
The War on Cancer: Can PAs Offer Something Different? (PA Forum), January, p59
Rahr, Richard
Chronic Obstructive Pulmonary Disease: Improving the Outcome (Recertification), November, p39
Individual Rights and Public Health (Forum), November, p59
Preventing Cardiovascular Disease Complications With Aspirin, June, p47
Rice, Kimball W.
A Female Bone Marrow Recipient With Abdominal Pain (Case Study), May, p106
Rollason, David H.
An Era of Change: Professional and Individual Responsibilities (PA Forum), April, p63
Clinical Asthma: Fundamental Concepts of Diagnosis and Treatment (Recertification), February, p21; March Suppl, p3
The War on Cancer: Can PAs Offer Something Different? (PA Forum), January, p59
Rosen, Larry
Here's How I Do It: Ear-Responsible (Clip & File), April, p79
Ross, Robert R.
Provider-Assisted Suicide: A Survey of PA Attitudes (Special Report), June, p73
Rotman, Ernest
Biopsychosocial Approach to Alcohol Dependence (Recertification), December, p33
Runion, Howell I.
Using a Laptop Computer to Improve Clinical Performance (Technology Outlook), January, p79
Rustmann, Walter C.
Here's How I Do It: Laceration Repair in the Elderly (Clip & File), March, p77
Salley, Marsha A.
Provider-Assisted Suicide: A Survey of PA Attitudes (Special Report), June, p73
Sanders, Luella E.
Increasing PAs' Awareness and Understanding of Self-Help Groups: An Educational Model (Special Report), August, p66
Sarrel, Philip M.
Estrogen Changes During Menopause: Cellular Actions and Reactions, February Suppl, p6
Evaluation and Management of the Postmenopausal Patient, February Suppl, p27
Scott, W. Norman
Assessment of Ankle Sprains in Athletes (Recertification), October, p23
Initial Assessment of Knee Trauma: Meniscal Injuries, January, p43
Sesay, Bockarie
Diagnosing and Preventing Malaria, December, p57
Sevier, Marcus T.
Preventing Cardiovascular Disease Complications With Aspirin, June, p47
Shapiro, William
Exercise-Induced Coronary Vasospasm, May, p71
Shuman, L. Yancey
Dx-Ray (Clip & File), January, p75
Simon, Albert
Individual Rights and Public Health (Forum), November, p59
Skillings, Jonathan
CardioQuandary (Clip & File), January, p77
CardioQuandary (Clip & File), March, p79
CardioQuandary (Clip & File), June, p89
CardioQuandary (Clip & File), September, p83
Improving Survival in Congestive Heart Failure: The Role of ACE Inhibitors (Recertification), July, p26
Stephenson, Karen S.
Preventing Cardiovascular Disease Complications With Aspirin, June, p47
Stoffey, Warren J.
The Enemy Is Us (Guest Editorial), September, p11
Stone, Jimmie E.
Managing Glaucoma in Primary Care: Primary Angle-Closure and Primary Open-Angle Glaucoma, October, p47
Sullivan, Keith M.
A Female Bone Marrow Recipient With Abdominal Pain (Case Study), May, p106
Tanzer, David J.
Managing Glaucoma in Primary Care: Primary Angle-Closure

and Primary Open-Angle Glaucoma, October, p47
Terlato, Joseph S.
CardioQuandary (Clip & File), November, p111
Thatcher, Paul
Dx-Ray (Clip & File), August, p77
Tiger, Steven
Go Directly to Jail (Editorial), June, p11
No Exceptions: Except For Those Who Are Excepted (Editorial), October, p17
The Thing That Wouldn't Die (Editorial), April, p12
Thou Shalt Not Think (Editorial), February, p11
Tobin, Richard
A Female Bone Marrow Recipient With Abdominal Pain (Case Study), May, p106
Walsh, Kevin
Individual Rights and Public Health (Forum), November, p59
Weil, Thomas P.
Some Implications of Managed Care for Physician Assistants, February, p63
Wilner, Andrew N.
An Elderly Woman With Acute Altered Mental Status (Case Study), November, p86
Wispert, Charles
Urinary Incontinence: Guidelines for the Primary Care PA (Recertification), March Suppl, p48
Zmigrodski, Jeannie A.
The Lonely Road—Primary Care Providers Coping with AIDS (Guest Editorial), December, p21

SUBJECT INDEX

Alcoholism
Biopsychosocial Approach to Alcohol Dependence (Recertification), (E Rotman), December, p33
The Management of Delirium Tremens in Acute Alcoholism (B Parham, M Abrams), September, p69
Cardiology
Exercise-Induced Coronary Vasospasm (L Garnsey, W Shapiro), May, p71
Implementing a Smoking Cessation Program For Your Patients (L Garry, U Atabek), November, p75
Improving Survival in Congestive Heart Failure: The Role of ACE Inhibitors (Recertification), (J Skillings), July, p26
Inferior Wall Myocardial Infarction (CardioQuandary), (M Krakow), April, p81
Infectious Endocarditis (Recertification), (L Hart, J Boatwright), April, p27
Left Posterior Fascicular Block (CardioQuandary), (J Skillings), June, p89
Malplacement of the Pacing Lead Into the Middle Cardiac Vein (CardioQuandary), (W Boyer, J Terlato), November, p111
Multifocal Atrial Tachycardia (CardioQuandary), (J Skillings), September, p83
Preventing Cardiovascular Disease Complications With Aspirin (S Ayachi, M Sevier, J Blessing, K Stephenson, R Canales, R Rahr), June, p47
RA and LA Lead Reversal (CardioQuandary), (J Skillings), January, p77
A 79-Year-Old Man With Dyspnea and Fatigue (K Matron), July, p69
Supraventricular Tachycardia With Aberrancy (CardioQuandary), (J Skillings), March, p79
Women and Cardiovascular Disease: Focus on the Heart (B Lorell), February Suppl, p17
Women and Cardiovascular Disease: Focus on Lipids (J Larosa), February Suppl, p22
CardioQuandary
Inferior Wall Myocardial Infarction (M Krakow), April, p81
Left Posterior Fascicular Block (J Skillings), June, p89
Malplacement of the Pacing Lead Into the Middle Cardiac Vein (W Boyer, J Terlato), November, p111
Multifocal Atrial Tachycardia (J Skillings), September, p83
Right Arm and Left Arm Lead Reversal (J Skillings), January, p77
Supraventricular Tachycardia With Aberrancy (J Skillings), March, p79
Case Study
A 40-Year-Old Woman With Dysfunctional Uterine Bleeding (P Jennings), April, p77
A 48-Year-Old Woman With Right-Sided Pleuritic Chest Pain (C Pollard), May, p95
A 79-Year-Old Man With Dyspnea and Fatigue (K Matron), July, p69
A Female Bone Marrow Recipient With Abdominal Pain (N Finnance, K Sullivan, R Tobin, K Rice, G McDonald), May, p106
A Woman With Drug-Resistant Tuberculosis (L Beck), June, p59
An Elderly Woman With Acute Altered Mental Status (A Wilner), November, p86
Dermadilemma
Contact Dermatitis (J Neef), October, p105
Crusted Scabies (P Franck), December, p83
Eruptive Xanthomas (J Neef), May, p111
Keratoacanthoma (K Guidera), August, p75
Perioral Dermatitis (J Neef), July, p83
Zoophilic Tinea Corporis (J Neef), February, p75
Dermatology
Contact Dermatitis (Dermadilemma), (J Neef), October, p105
Crusted Scabies (Dermadilemma), (P Franck), December, p83
Eruptive Xanthomas (Dermadilemma), (J Neef), May, p111
Keratoacanthoma (Dermadilemma), (K Guidera), August, p75
Perioral Dermatitis (Dermadilemma), (J Neef), July, p83
Suntan and Ultraviolet Light Exposure-Related Issues (K Korn), May, p80
Zoophilic Tinea Corporis (Dermadilemma), (J Neef), February, p75
Diabetes
Intensive Insulin Therapy in Diabetes (R Jordan), March Suppl, p40
Dx-Ray
Breast Carcinoma (C Pollard), February, p77
Enchondroma (L Shuman), January, p75
A Foreign Body, Apparently a Coin, Located in the Esophagus

(L Herman), December, p90
Chronic Asthmatic Changes With Pneumomediastinum (L Herman), September, p85
Fracture of the Ulnar Sesamoid Bone of the Metacarpophalangeal Joint (R Hayden), May, p113
Metastatic Skeletal Lesion (P Thatcher), August, p77
Osteophyte (S Bailey), November, p115
Spinal Stenosis (R Allen, A Jones), October, p107
Tuberculosis (L Herman), July, p85

Editorial
Go Directly to Jail (S Tiger), June, p11
Medicare Reform—Politics as Usual (C Huntington), November, p10
No Exceptions: Except For Those Who Are Excepted (S Tiger), October, p17
Rough Sailing Ahead (CG Huntington), May, p11
The Thing That Wouldn't Die (S Tiger), April, p12
Thou Shalt Not Think (S Tiger), February, p11

Emergency Medicine
Basic Wound Care (H Drucker), May, p51
Cocaine Body Packer Syndrome (L Herman), August, p47
Decompression Illnesses of Recreational Scuba Divers (T Catalina), July, p47
A Foreign Body, Apparently a Coin, Located in the Esophagus (Dx-Ray), (L Herman), December, p90
Hand Injuries From Fist Fights (T Keel), July, p73
Emergency Vascular Access: The Use of Intraosseous Infusion, (M Greenberg), February, p59
Neuroleptic Malignant Syndrome (W Coggin, T Kloft), October, p82

Fertility
Infertility: A Focused Evaluation (S Chabon), October, p71

Gastroenterology
An Elderly Woman With Acute Altered Mental Status (A Wilner), November, p86
Irritable Bowel Syndrome: Pathophysiology, Diagnosis and Management (Recertification), (C Griffith), March Suppl, p53

Geriatrics
An Elderly Woman With Acute Altered Mental Status (Case Study), (A Wilner), November, p86
Laceration Repair in the Elderly (Here's How I Do It), (W Rustmann), March, p77
A 79-Year-Old Man With Dyspnea and Fatigue (K Matron), July, p69

Guest Editorial
The Best and the Brightest? (J Davidson), August, p9
Destructive Confidentiality (M Estrin), November, p13
The Enemy Is Us (W Stoffey), September, p11
In Memoriam (K Harbert), July, p11
The Lonely Road—Primary Care Providers Coping with AIDS (J Zmigrodski), December, p21

Gynecology
Chlamydial Infections: Minimizing Sequelae Through Preventive Strategies (Recertification), (C Griffith), May, p27
Estrogen Changes During Menopause: Cellular Actions and Reactions (P Sarrel), February Suppl, p6
Evaluation and Management of the Postmenopausal Patient (P Sarrel), February Suppl, p27
A 40-Year-Old Woman With Dysfunctional Uterine Bleeding (Case Study), (P Jennings), April, p77
Infertility: A Focused Evaluation (S Chabon), October, p71

Health Issues
Increasing PAs' Awareness and Understanding of Self-Help Groups: An Educational Model (L Sanders, M Dicker, G Meissen), August, p66
The Emerging Infectious Disease (C Pollard), December, p73
Provider-Assisted Suicide: A Survey of PA Attitudes (R Hayden, M Salley, J Brasseur, J Kircher, R Ross), June, p73
Residential Low-Frequency Electromagnetic Fields and Childhood Cancer (C O'Connell), October, p90
Resisting Rape: Risks and Effectiveness (R Danielsen, L Dalton), November, p104

Here's How I Do It
Ear-Responsible (L Rosen), April, p79
Educating Patients About Their Positive PPDs (S Leiner), June, p87
Laceration Repair in the Elderly (W Rustmann), March, p77

Hypertension
Hypertension: Evaluation and Management (Recertification), (C Griffith), September, p25

Immunology
Nutrition, Immunity, and HIV Disease (K Grayce-Barnes), August, p57

Infectious and Parasitic Diseases
Adolescents and STDs: Counseling Young Patients on Hepatitis B Prevention (A Goldfarb), March, p66
A 48-Year-Old Woman With Right-Sided Pleuritic Chest Pain (C Pollard), May, p95
A Woman With Drug-Resistant Tuberculosis (Case Study), (L Beck), June, p59
Chlamydial Infections: Minimizing Sequelae Through Preventive Strategies (Recertification), (C Griffith), May, p27
Chronic Obstructive Pulmonary Disease: Improving the Outcome (Recertification), (M Peterson, R Rahr, J Blessing, S Ayachi), November, p39
Diagnosing and Preventing Malaria (B Sesay), December, p57
Educating Patients About Their Positive PPDs (S Leiner), June, p87
The Emerging Infectious Disease (Health Issues), (C Pollard), December, p73
Herpes in Adults: Caring for Patients With Simplex and Zoster (S Leiner), (Recertification), March Suppl, p27
Infectious Endocarditis (Recertification), (L Hart, J Boatwright), April, p27
Nutrition, Immunity, and HIV Disease (K Grayce-Barnes), August, p57
The Pathogenesis of Sepsis (Recertification), (C Colson, R Crum), August, p27
A Review of Pneumonia in Infants and Young Children (Recertification), (K Garritty), March Suppl, p16
Tuberculosis (Dx-Ray), (L Herman), July, p85

Neurology
Headache: Benign or Catastrophic? (Recertification), (J Jones), June, p25
Neuroleptic Malignant Syndrome (W Coggin, T Kloft), October,

p82
Nutrition
Nutrition, Immunity, and HIV Disease (K Grayce-Barnes), August, p57
Occupational Medicine
The Preplacement Examination (S Miller, M Olney, R Orford, J Bothun), June, p79
Oncology
Breast Carcinoma (C Pollard), February, p77
Colorectal Cancer: A Preventable Disease (Recertification), (C Hansen), January, p15
Enchondroma (LY Shuman), January, p75
A Female Bone Marrow Recipient With Abdominal Pain (N Finnance, K Sullivan, R Tobin, K Rice, G McDonald), May, p106
A 48-Year-Old Woman With Right-Sided Pleuritic Chest Pain (C Pollard), May, p95
Keratoacanthoma (Dermadilemma), (K Guidera), August, p75
Metastatic Skeletal Lesion (Dx-Ray), (P Thatcher), August, p77
Residential Low-Frequency Electromagnetic Fields and Childhood Cancer (Health Issues), (C O'Connell), October, p90
Suntan and Ultraviolet Light Exposure-Related Issues (K Korn), May, p80
The War on Cancer: Can PAs Offer Something Different? (PA Forum), (S Gualdoni, G Marion, D Rollason, C Pollard), January, p59
Ophthalmology
Evaluating Painless Distant Visual Acuity Loss in the Adult (J Ledford), April, p41
Managing Glaucoma in Primary Care: Primary Angle-Closure and Primary Open-Angle Glaucoma (J Stone, D Tanzer), October, p47
Orthopedics
Assessment of Ankle Sprains in Athletes (Recertification), (G Huie, W Scott), October, p23
Enchondroma (LY Shuman), January, p75
Fracture of the Ulnar Sesamoid Bone of the Metacarpophalangeal Joint (Dx-Ray), (R Hayden), May, p113
Graft Harvest and Preparation for Endoscopic Anterior Cruciate Ligament Reconstruction (G Huie, P McCann), August, p81
Hand Injuries From Fist Fights (T Keel), July, p73
Initial Assessment of Knee Trauma: Meniscal Injuries (G Huie, W Scott), January, p43
Lisfranc Injury (H Busse), September, p54
Metastatic Skeletal Lesion (Dx-Ray), (P Thatcher), August, p77
Osteophyte (Dx-Ray), (S Bailey), November, p115
Spinal Stenosis (Dx-Ray), (R Allen, A Jones), October, p107
Total Hip Arthroplasty: A Success Story (S Edelman), February, p44
Otolaryngology
Ear-Responsible (Here's How I Do It), (L Rosen), April, p79
Sore Throats: Burning Issues (S Leiner), March, p19
Patient Guides
Hepatitis B, March, p75
Nutrition in Pregnancy, July, p89
Quitting Smoking Using the Nicotine Patch, November, p83
Pediatrics
Chlamydial Infections: Minimizing Sequelae Through Preventive Strategies (Recertification), (C Griffith), May, p27
Emergency Vascular Access: The Use of Intraosseous Infusion, (M Greenberg), February, p59
Residential Low-Frequency Electromagnetic Fields and Childhood Cancer (Health Issues), (C O'Connell), October, p90
